Onyx™ Square Cut 5081

PERIMETER FRAMED SHOWER SCREEN SYSTEM WITH FRAMELESS HINGED DOOR

Onyx™ Square Cut 5081 features a minimalist square profile with fully recessed glazing channel outer frame design with self-closing hinged door.

Exceptional Value

Indulge your imagination and create an absolutely premium bathroom design at a surprisingly affordable price.

Premium Quality

Onyx™ Square Cut 5081 hinges and components are manufactured from premium quality materials. Proudly Australian made aluminium extrusion profiles are of uncompromised quality providing a superb architectural appearance and finish to your bathroom.

Handle Selection

An extensive range of handles are available in your choice of either aluminium powder coated, chrome or satin chrome plated finishes.

Componentry

Component and design features combine to provide convenience and colour co-ordination.

- Hinges
- Handles
- Anti-bacterial clear (i.e. frost) and colour matched glazing vinyl

Water Resistance

Onyx™ Square Cut 5081 can be specially made to include water seals, maximising water splash resistance so your bathroom remains drier and safer.

Contemporary Design Aesthetics

A distinctively modern square perimeter framed shower screen makes Onyx™ Square Cut 5081 instantly appealing and suitable for any contemporary bathroom design.

Self-Close Hinge

Onyx™ Square Cut 5081 features a self-closing hinge which self-centres upon door closure. Able to open both inwards and outwards the whisper quiet automatic self-close feature enhances safety and maximises use of bathroom area.

Low Maintenance

Minimalist square profile minimises soap and residue accumulation, and facilitates ease of cleaning.

Safety

Onyx™ Square Cut 5081 Shower Screen Systems are glazed to comply with the requirements of Australian Standards AS2208 and AS1288.

Design Flexibility

Onyx™ Square Cut 5081 Shower Screen Systems can be designed for installation into most bathrooms. Ask your distributor for advice on a design to suit your needs.

Square Cut Corner Stake Design

Square Cut Corner Stakes are designed to match the perimeter frame profile, providing rigid colour co-ordinated joining points in the shower screen frame structure.

Glass Specification

Designed specifically for use with 6mm toughened glass.
