### SPECIAL NOTES

- \*For **SQFPCS: Square Frameless Pivot Clamp System** glass cut out option, see Glass Preparation and Dimension Guide.
- Include 8mm hole on door glass for handle.
- All deductions are for measurements taken from outer shower finished size point-to-point.
- \*For inclusion of **SEBWS: Bulb Water Seal** on both return panels amend Return Panels from -32 to -39.
- Use of **SEBWS: Bulb Water Seal** on return panels, either side of door, is highly recommended for optimal water resistance.
- Assumes use of 6mm toughened glass.
